

UTAH STATEWIDE ELECTRONIC VOTER INFORMATION WEBSITE

(For an electronic copy of this form go to <http://www.elections.utah.gov/website.form.doc>)

As directed in Utah Code section 20A-7-801, Utah's lieutenant governor hosts a statewide electronic voter information website. Candidates may submit statements of qualifications (up to 200 words) and certain biographical information for inclusion on the website.

Please use this form to submit information. For posting on the 2010 general election website, candidates must submit their information no later than **5:00 p.m., Friday, August 20, 2010.**

Submit forms to your municipal recorder or county clerk. Call your county clerk or the Office of the Lieutenant Governor at 1-800-995-VOTE (8683) or 801-538-1041 with any questions.

Name: N. William Clayton

Office: Utah State House of Representatives

District: 46

E-mail address: nwclayton@hughes.net

Website: www.clayton2010.com

Age: 54

Occupation: Investor and former aerospace engineer

Residence: 4930 East Little Cottonwood Road #22, Sandy, UT 84092

Years at residence: 11

Qualifications: Mr. Clayton's qualifications for legislative office include: a scientific background and a concomitant ability to think analytically; an understanding of business and economics; experience with rapidly analyzing legislation and independently assessing its implications; and, finally, a passion for studying history and grasping its lessons.

During the past decade Mr. Clayton has been self-employed as a long-term investor specializing in technology companies, carefully analyzing high-tech businesses and purchasing their stocks at times when they're out of favor on Wall Street. Prior to that, he worked as an engineer at Space Computer Corporation in Santa Monica, California, designing specialized computer hardware and software for NASA and the Department of Defense. Before joining Space Computer, Mr. Clayton worked at the Center for Engineering Design at the University of Utah designing and testing experimental microelectromechanical sensors.

Mr. Clayton has, over the years, served as a volunteer legislative analyst for various grassroots political organizations, in which capacity he has learned to analyze bills quickly and carefully.
